

## **ALLEN STREET WEEK OF DECEMBER 10<sup>TH</sup>, 2018**

# Pay It Forward

9<sup>th</sup>-12<sup>th</sup> grade students began a unit on community service 3 weeks ago by watching "Pay it Forward".

Students have begun to perform random acts of kindness towards one another and the larger community. They often will come into our classroom and share something they noticed or did to help another person, reminding us all how one small action can be the start of something greater and bigger.

Later this month, students will present Northeast Primary School with two rocking chairs from which they will read books to K-2<sup>nd</sup> grade students!

Our students are promoting positive change in our school and Rutland.

**ASC RHS  
Volunteer Work  
this month:**

**Cooking and  
serving meals at  
the *Open Door  
Mission***

**and**

**Preparing  
backpacks for the  
statewide  
program run by
